WORK EXPERIENCE

Exposys Data Labs - Intern

📅 OCT 2021 - NOV 2021

- Developed an Android chat application that connects people with similar interests.
- Implemented a filtering feature to display users with shared interests on the home page.

Zoho - Project Trainee

📅 NOV 2022 - MAR 2023

- Learned frontend development, collaborated on frontend development tasks and developed an Expense Tracker to track user balances.

Nila Apps - Intern

📅 JULY 2023 - NOV 2023

- Developed a Room Booking System with authentication for customers and owners.
- Enabled owners to manage bookings and customers to track room availability easily.

Solytics Partners - Frontend Developer Consultant

📅 AUG 2024 - PRESENT

- Worked on bug fixes, tasks, and logger issues, resolving 80+ tickets related to UI enhancements and feature updates.
- Debugged and fixed critical issues in the Nimbus-Frontend website, improving user experience and performance.

PROJECTS

Stop 'N Shop

<https://github.com/Priyadharshini0101/Stop-N-Shop>

An e-commerce platform for clothing stores with product browsing, cart management, checkout, user authentication, order tracking, and preference saving

Netflix-Clone

<https://github.com/Priyadharshini0101/Netflix-Clone>

A Netflix-inspired streaming platform using React.js and TMDB API, enabling user authentication, watchlists, and content categorization by language and genre.

U-Farm

<https://github.com/Priyadharshini0101/U-Farm>

A mobile-friendly agricultural support app where farmers upload diseased crop photos and receive expert solutions via text and audio in native languages. Solved real-world problems by providing timely and accurate solutions to farmers, improving crop yield and productivity.

CODING PROFILES

- **Leetcode** - <https://leetcode.com/u/priyadharshinis5102/>
- **Coding Ningas** - <https://www.naukri.com/code360/profile/priyadharshne>

SUMMARY

A passionate Software Developer with experience in building user-friendly and efficient applications. I enjoy solving problems, learning new technologies, and contributing to impactful projects. Committed to growth and creating high-quality solutions for better user experiences.

EDUCATION

📅 2019 - 2023
